

CUPW Prairies endorses Rashpal Singh Sehmbly for City councilor for Ward Sspomitapi (formerly Ward 12) in the city of Edmonton's 2021 municipal election.

CUPW Prairies supports strong, sustainable and livable communities for all the people of the city of Edmonton. We need strong representation to put people first.

CUPW Prairies believes in supporting our frontline workers during this pandemic and ensuring nobody gets left behind as we start the recovery. We believe in a more energy efficient city of Edmonton that will minimize climate change and preserve our natural environment.

The city of Edmonton needs a champion to make public transit more budget friendly. We need a city that is more affordable, accessible, and inclusive.

That's why CUPW has chosen to endorse Rashpal Singh Sehmbly.
